

European Federation of Internal Medicine **EXCHANGE PROGRAMME**

Administrative Council, 9-11 May 2013, Helsinki Finland

The EFIM “Exchange Working Group” would like to introduce to you this Project.

The aim of this Programme is to promote short internships of approximately one month among our European specialist training centers, which will take place in Internal Medicine Units of other EFIM member countries.

- The “Exchange” is open for Internal Medicine trainees in their third to fifth year with a good command of the English language.
- Each National Society will select their candidates with a maximum of 5 per country for the year 2013.
- EFIM will sponsor 12 scholarships of € 600, which number could be increased at the discretion of and sponsoring by the National Society.

DO NOT MISS THE OPPORTUNITY TO PARTICIPATE IN THIS GREAT EXPERIENCE!
