

**15th Meeting of the Mediterranean Group for the Study of Diabetes
May 7-9, 2015**

**Call for Visual Education Material
Deadline for submission
December 15, 2014**

On the occasion of the **14th MGSD Congress**, the Scientific Committee is launching a call for submission of **visual material focused on diabetes education/prevention/awareness**.

To support the mission of the MGSD in attempting to respond to the need for information and training in diabetology, these materials will be uploaded to the MGSD website (www.mgsd.org).

Please send **your visual material (posters, photos, films, leaflets...)**, accompanied by one or two **lines of comments**, by email, before December 15, 2014, to: mail.mgsd@fr.netgrs.com

Materials without comments will not be considered.

The author of the best Visual Education Material selected by the Scientific Committee will be granted €2000 for attendance at the congress.

Only material without copyright should be sent.
